

### REMARKS

This preliminary amendment is being submitted to comply with 37 C.F.R. §1.821(d) which requires that a reference to a sequence in the text of a patent application be identified by the sequence identifier "SEQ ID NO:" in the text of the description. This amendment is also being filed to comply with 37 C.F.R. §1.823(a)(2) which requires the incorporation by reference of a Sequence Listing in the specification of the patent application. Other minor changes to the specification not related to the sequence listing have also been corrected by this amendment.

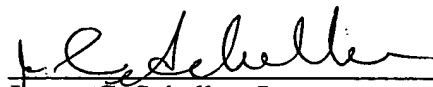

The submission of this preliminary amendment includes no new matter.

Please charge any shortages or credit any overages to Deposit Account No. 02-2666.

Respectfully submitted,
